Chips-IT

Italy on chips

Bringing together the **National Semiconductor Ecosystem**

26.11 IBM STUDIOS MILANO

AGENDA

09.00	*Registration and welcome coffee*
10.00	**Introduction** Alberto Sangiovanni Vincentelli - President, **Chips-IT** with a video greeting from Marco Gilli, President, **Fondazione Compagnia di San Paolo**
10.10	**Institutional greetings.** Minister Adolfo Urso - **MIMIT**, Minister Anna Maria Bernini - **MUR**
10.25	**Keynote** Benedetto Vigna - CEO, **Ferrari** and fireside-chat with Alberto Sangiovanni Vincentelli, President, **Chips-IT**
10.55	**Less Slides. More Silicon: Chips-IT, by the numbers** Carlo Reita - Director, **Chips-IT**
11.25	**Smart Eyewear: the next human interaction platform is already here – and needs chips.** Fabio Borsoi - Head R&D Smart Eyewear & Hearing Solutions, **Essilor Luxottica**
11.40	**European Semiconductor Strategy: EU Chips Act 2.0** Marco Ceccarelli - Lead Strategy Coordinator - DG CNECT DG CNECT, **European Commission**
12.00	*Lunch & visit to the Ecosystem Expo*
14.00	**Institutional talk.** Guido Guidesi - Assessore Sviluppo Economico, **Regione Lombardia**
14.10	**Silos Don't Scale.** **Moderator:** Enrico Macii, Full Professor of Information Processing Systems, **Politecnico di Torino** Andrea Simoni, Secretary General, **FBK** / Giorgio Metta, Scientific Director, **IIT** / Carlo Reita, Director, **Chips-IT** / Riccardo Di Maria, Head of HPC/AI and Engineering Lab Director, **AI4I**
14.40	**RTOs: playing cards in the semicon innovation ecosystem** **Moderator:** Isabel Obieta, **Obieta innovation** - former **EIC Progamme Manager for Sustainable Electronics** Albert Heuberger, Chairman of the Steering Committee, **Fraunhofer FMD** / William Scanlon, CEO, **Tyndall** / Erja Turunen, Executive VP Microelectronics & Photonics, **VTT** / Sébastian Dauvé, CEO, **CEA-Leti** / Carlo Reita, CEO, **Chips-IT /** Thomas Buchegger, Head of Research Divison Intelligent Wireless Systems, **Silicon Austria Labs**
15.20	**It takes a village to build a chip: connecting talent, tech and territory.** Giorgio Dell'Erba - Director of Industrial Partnerships & Technology Transfer, **Chips-IT**
15.45	*Coffee Break*
16.30	**From Wafer to Product / Part I: the AI stack.** **Moderator:** Alessandro Cremonesi, Member of Scentific Committee of Chips-IT Giuseppe Garcea, **Axelera AI** / Valentina Cogliati, CEO, **Elemaster Group** / Alberto Della Chiesa, CEO, **STMicroelectronics Italia** / Fabrizio Magugliani, Strategic Planning & Business Development, **E4 Computer Engineering**
17.00	**The World Runs on Chips. It All Begins with Silicon.** Marco Sciamanna - President and Chairman of the Board of Directors, **MEMC Electronic Materials S.p.A.**
17.15	**From Wafer to Product / Part II: The hidden backbone.** **Moderator:** Maria Cristina Borelli, Advisor of Silicon Catalyst Andrea Ganio, Chief Institutional Relations Officier, **SPEA** / Orio Bellezza, Chairman & interim-CEO, **2DPhotonics** / Alessandro Iovene, Sales Director, **Cosmic Group S.p.A.** / Giorgio Cellere, **RiseTech**
17.45	**Panel Startup Semicon: Hardware Is Hard. Funding Is Harder.** **Moderator:** Giorgio Dell'Erba - Director of Industrial Partnerships & Technology Transfer, **Chips-IT** Alessandro Milozzi, CEO, **Neuronova** / Andrea Ballabio, CEO, **EYE4NIR** / Luca De Angelis, CEO, **Tech Europe Foundation** Isabel Obieta Principal, **Obieta innovation** - former **EIC Progamme Manager for Sustainable Electronics /** Francesco Cerruti, General Director, **Italian Tech Alliance**
18.15	*Networking Cocktail*
19.15	*Dinner*
